

# City View Main Campus Site Map

## DROP OFF

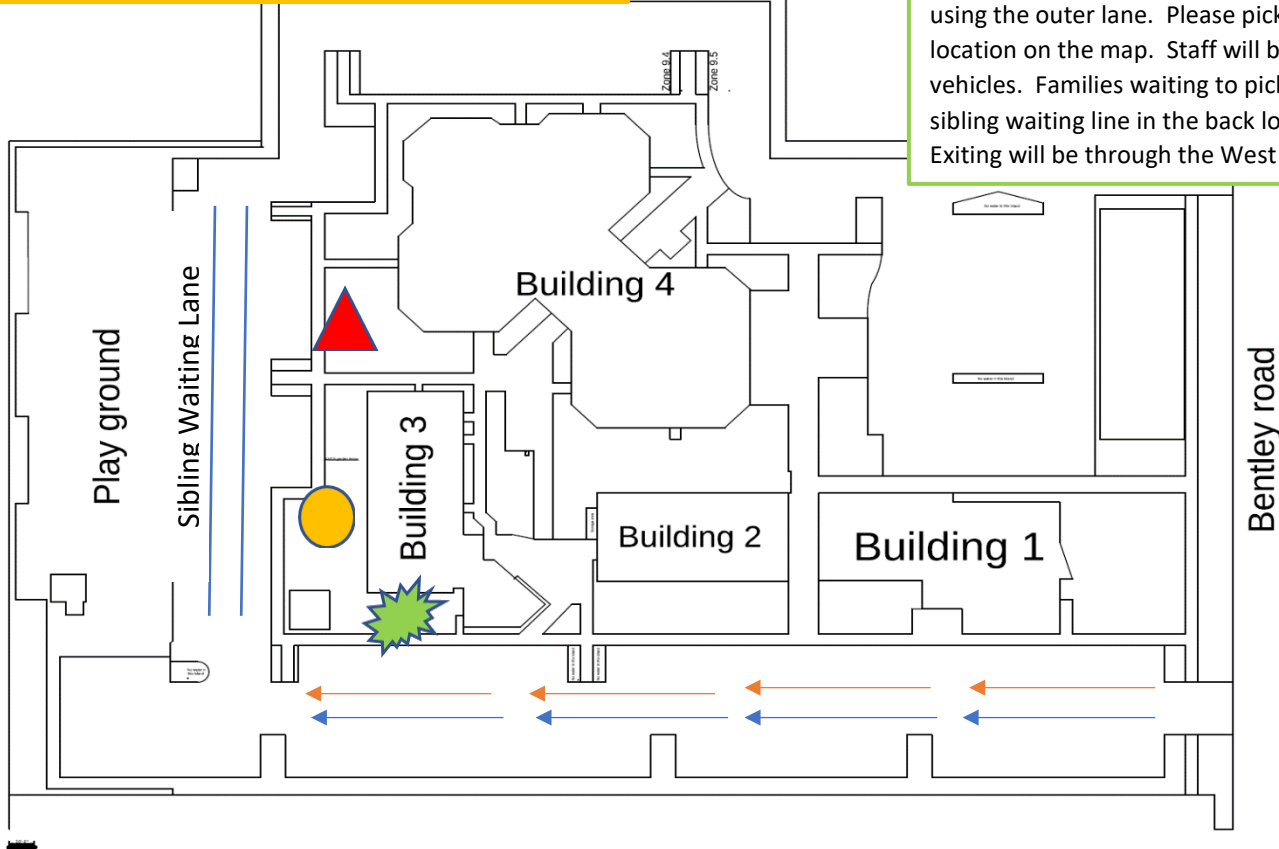

Each City View family will be given a card for their window with their student's name and grade. This must be displayed on the passenger side window.

City View Families will enter campus from the East entrance in 2 lanes and continue to the lower parking lot where staff will be present to verify that families have done their daily check in on City View's app prior to the students exiting the vehicle. Once students are approved to exit they will line up with their crew to be taken for screening. Parents should exit the facility using the West entrance. Families with siblings may wait in the back lot closest to the playground and field

## Pick Up

At pick-up the student's name card must be displayed again in the passenger side window.

City View Families will enter campus from the East entrance in 2 lanes with 4<sup>th</sup> grade families in the inner lane and all other families using the outer lane. Please pick up your student at their marked location on the map. Staff will be present to help walk students to vehicles. Families waiting to pick up other students may use the sibling waiting line in the back lot closest to the playground and field. Exiting will be through the West entrance.
